

## Cookies Policy

This Cookie Policy describes how we, **Easytech Solutions s.r.o.**, registered under the law of **Czech Republic, identification number 193 05 737, with the registered address: Chudenicka 1059/30, Hostival, 102 00 Prague 10** (“Company”, “we”, “us” or “our”), use cookies on our the website (“Website”).

By using the Website, you accept that the cookies described in this Policy may be used by us. We would like to explain what cookies are, what they do, and which cookies we use.

We kindly ask you also to review our [Privacy Policy](#) for more information on how we process personal data collected from Website visitors and users.

All capitalized terms that are not defined elsewhere in this Policy shall have the meanings assigned to them in the [Terms of Use](#).

### 1. What are cookies?

*Cookies* are text files containing small amounts of information that are stored on your computer or any usable device, which help us track, save and memorise data about your actions on and use of our Website. Cookies may be recognized by the Website that downloads them or by third-party websites that employ the same cookies. Cookies are used to improve the performance of Website and to collect statistical data.

A cookie file is stored by your web browser and allows Website or third parties websites to recognize you the next time as you get back to this Website and meet your searching and using needs.

We have a legitimate interest in performing these actions, and we guarantee that there will be no impact on your privacy. You have the right to revoke consent or update marketing preferences at any time.

### 2. What are cookies used for?

Cookies are used to store or retrieve information about your browser. This information may be about you, your preferences, your device, or it will be used solely to operate Website, in accordance with your expectations. We respect your right to data privacy, therefore you can opt out of receiving some types of cookies. For more information and for settings change, click on the category headings. Please be aware, however, that blocking some types of cookies may disrupt your use of the Website and limit products, services we provide.

Cookies assist us in understanding how the Website is used, analyzing your search queries, and improving the overall quality of products, services for our clients, users. Cookies can also improve your surfing experience by ensuring that the adverts you view correspond to your online searches.

Cookies store personal data if you have agreed to their use. Cookies assist us in enabling functionality for the provision, protection, and enhancement of our products, services, recording your browsing activity, verifying your account, determining when you are logged in, keeping your data and account safe and secure, enabling adverts and behavioural advertising, providing mailings, analytics, and research, monitoring statistics data, and retaining your preferences and information about your actions, allowing us to improve your usability and provide better products, services.

We have a legitimate interest in conducting these activities, and we make every effort to minimize any impact on your privacy.

We may employ crucial cookies to authenticate you and prevent fraudulent use of your account when you use and access our Website. Session cookies, persistent or permanent cookies, and third-party cookies may be used.

### **3. What types of cookies do we use?**

Website employs a variety of cookies. Other data operators, such as Google, Google Analytics, and others, may set cookies on your device. Such cookies are referred to as "third party" cookies. In such cases, we are not responsible for any actions and policies of third parties. Our Website's cookies are broadly classified as follows: strictly necessary, file preference cookies, tracking and performance, statistical cookies, advertising, session, flash and unclassified:

- **Strictly Necessary / Essential Cookies**

These functional cookies cannot be disabled when visiting our Website because they ensure the proper operation of Website. This includes cookies that collect information about whether or not other cookies are permitted on our Website. They are often activated only in response to your actions similar to a request for products, services, such as setting privacy level, logging in, or filling out forms. You can configure your browser to block or inform you when these cookies are used, but some parts of the Website may not function properly as a result. These cookies do not store personally identifiable information.

- **File Preference Cookies**

These cookies allow Website to store information that affects the design and available features, such as the client's, user's preferred language or location. Website can present you with information relevant to a specific region, city, country, by remembering your location.

- **Tracking and Performance**

These cookies are used to track information about Website traffic and client, user behaviour. The information collected via these cookies may directly or indirectly identify you as an individual visitor. This is because the information collected is typically linked to a pseudonymous identifier associated with the device you use to access Website. These cookies may be used to test new pages, features, or functionality of Website to see how our clients, users react to them.

- **Statistical Cookies**

We employ statistical cookies to conduct a general analysis of Website use and to collect initial data to improve our products, service. The information received may be sent anonymously to the analytics service's server, saved, processed, and stored there. These cookies allow us to track the number of visits and traffic sources in order to measure and improve the performance of our Website. We know which pages are the most and least popular, and we can see how you and other visitors navigate Website. If a client, user does not accept these cookies, we will have no data about your visit to our Website to track its performance.

- **Advertising Cookies**

These cookies help make advertisements more attractive to clients, users and more effective for advertisers. They help keep advertisements relevant, improve campaign performance, and prevent a client, user from being addressed by the same advertisement multiple times. They do not store personally identifiable information about you and work by uniquely identifying your

browser and internet-connected device. You will receive less targeted advertising, if you don't accept these cookies.

- **Session Cookies**

Session cookies, known as 'temporary cookies', assist Website in recognising clients, users and the information provided when navigating Website. Session cookies only retain information about a client's, user's activity for the duration of their visit to Website. Once the web browser is closed, the cookies are deleted.

- **Flash Cookies**

Flash cookies, known as 'super cookies', operate independently of web browsers. They are designed to be permanently stored on a user's computer. These cookies remain on a user's device even after they have removed all cookies from their web browser.

- **Unclassified Cookies**

Unclassified cookies are cookies that do not fall under any of the categories. They are in the process of being recognized and assigned to one of the providers' classifications.

#### **4. How can you control the use of cookies?**

You enable all categories of cookies collected by Website and third parties by clicking the "Accept all cookies" button.

Cookies can be enabled, disabled, or deleted depending on the browser you use to access Website. Follow the instructions provided by your browser (typically found in "Help", "Tools" or "Editing" section) to accomplish this. Please note that if you disable cookies in your browser, you may lose access to certain features of Website.

#### **5. Third Party Cookies**

We may also use the other websites cookies, for example, to collect and analyse various statistics data regarding our Website, as well as for notifications and newsletter messages made about other Website news, promotions, or other information. We will also use our Website social media buttons to transfer you to the appropriate social networks. External websites of third parties use their own Cookies, in accordance with their respective cookie policies, for which we are not responsible. If you accept them, you do so at your own risk and discretion, with no recourse from us.

#### **6. Additional Information**

If you have any inquiries regarding this Policy or how we use cookies on our Website, you may contact us via email: [crypto.use@easytech.com](mailto:crypto.use@easytech.com).
